You say that we've got nothing in _____
No common ground to start from and we're falling apart
You'll say the world has come between us
Our lives have come between us still I know you just don't

And I said? What about _____ at Tiffany's?
She said, "I think I remember the film?"
And as I recall, I think, we both kinda liked it
And I said, "Well, that's the one thing we've _____"

I see you, the only one who knew _____
And now your _____ see through me I guess I was
wrong
So what now it's plain to see we're _____
And I hate when things are over when so much is left
undone

And I said? What about _____ at Tiffany's?
She said, "I think I remember the film?"
And as I recall, I think, we both kinda liked it
And I said, "Well, that's the one thing we've _____"

You say that we've got nothing in _____
No common ground to start from and we're falling apart
You'll say the world has come between _____
Our lives have come between us still I know you just don't
care

And I said? What about _____ at Tiffany's?
She said, "I think I remember the film?"
And as I recall, I think, we both kinda liked it
And I said, "Well, that's the one thing we've _____"

And I said? What about _____ at Tiffany's?
She said, "I think I remember the film?"
And as I recall, I think, we both kinda liked it
And I said, "Well, that's the one thing we've got"

And I said? What about _____ at Tiffany's?
She said, "I think I remember the film?"
And as I recall, I think, we both kinda liked it
And I said, "Well, that's the one thing we've got"
