Right from the start
You were a thief you stole my heart
And I your willing victim
I let you see the parts of _____
That weren't all that pretty
And with every touch you fixed them
Now you've been talking in your sleep
Things you never say to _____
Tell me that you've had enough
Of our love, our love

Just _____ me a reason
Just a little bit's enough
_____ a second we're not broken just bent
And we can learn to love again
It's in the stars
It's been written in the scars on our hearts
We're not broken just bent
And we can learn to love again

Im sorry I don't understand where all of this is coming from
I thought that we were fine
Oh we had _____
Your head is running wild again
My dear we still have _____
And its all in your mind
No nothing is as bad as it seems
We'll come clean

Yeah but this is happening
You've been having real _____ dreams
Oh oh
You used to lie so close to _____
Oh oh
There's nothing more than empty sheets
Between our love, our love, oh our love, our love

Just _____ me a reason
Just a little bit's enough
_____ a second we're not broken just bent
And we can learn to love again
It's in the stars
It's been written in the scars on our hearts
We're not broken just bent
And we can learn to love again

I never _____
You're still written in the scars on my heart
Your not broken just bent and we can learn to love again
Oh tears ducts and rust
I'll fix it for us
We're collecting dust but our love's enough
You're holding it in
You're pouring a _____
No nothing is as bad as it seems
We'll come clean

Just _____ me a reason
Just a little bit's enough
_____ a second we're not broken just bent
And we can learn to love again
It's in the stars
It's been written in the scars on our hearts
We're not broken just bent
And we can learn to love _____
