Hi! How do I get to the pier? Take the subway down the street and then walk straight for five minutes. When you see the bus station, turn left and the pier is on your right. Don't forget to get off the subway after eight stops, otherwise you will go the wrong way! Thank you very much. I also want to go sightseeing today. Could you tell me how long it takes to see the cultural sights in the city? Sure. The museum will take you ten minutes and the historic train station will take you as little as five minutes.
