

## *Umbrella Song*

Young Betty she took an umbrella,  
umbrella,  
Down in the meadows so green.  
Goosey Gander came up just to tell her,  
To tell her,  
That he owned the meadows so green.  
But Betty she spread her umbrella,  
Umbrella,  
Till nothing of her could be seen;  
And the Goose, he could never compel her,  
Compel her,  
To run from those meadows so green.

## Voice of the Lobster Song

'This the voice of the Lobster: I heard him declare,  
'You have baked me too brown, I must sugar my  
hair'.

As a duck with its eyelids, so he with his nose  
Trims his belt and his buttons, and turns out his  
toes.

I passed by his garden, and marked, with one eye,  
How the Owl and the Oyster were sharing a pie;  
While the Duck and the Dodo, the Lizard and Cat,  
Were swimming in milk round the brim of a hat.

## *We are the Dinosaurs Song*

We are the dinosaurs  
marching, marching.

We are the dinosaurs,  
we make the earth flat.

We are the dinosaurs,  
marching, marching,  
we are the dinosaurs  
what do you think of that?

## *You Ride Behind Song*

You ride behind and I'll ride before,  
And trot, trot away to Baltimore.

You shall take bread, and I will take  
honey,

And both of us carry a purse full of  
money.
