Sometimes it's wrong to walk away, though you think it's _____

Knowing there's so much more to say

Suddenly the moment's _____

And all your dreams are upside down

And you just wanna change the way the world goes

Tell me, have you ever _____ and lost somebody

_____ there was a chance to say I'm sorry

Can't you see, that's the way I feel about you and me, Baby

Have you ever _____ your heart was breaking

Lookin down the road you should be taking

I should know, cos I loved and _____ the day I let you go

Can't help but think that this is wrong, we should be _____

Back in your arms where I belong

Now I've finally realised it was forever that I've _____

I'd give it all to change the way the world goes

Tell me, have you ever _____ and lost somebody

Wished there was a chance to say I'm sorry

Can't you see, that's the way I feel about you and me, Baby

Have you ever _____ your heart was breaking

Lookin down the road you should be _____

I should know, cos I loved and _____ the day I let you go

I really wanna hear you say that you know just how it _____

To have it all and let it _____ away, can't you see

Even though the moment's _____, I'm still holding on somehow

Wishing I could change the way the world goes _____

Tell me, have you ever _____ and _____ somebody

Wished there was a chance to say I'm sorry (I'm sorry)

Can't you see, (ohhh) that's the way I feel about you and me, Baby

Have you ever _____ your heart was breaking

Lookin down the road you should be taking
I should know, (I should know) cos I loved and lost the day I let

Yes I _____ and lost the day I let

Yes I _____ and lost the day I let you go
