## **ESL Kids World: Interrogatives**

Circle the words. Fill in the gaps.

```
Ζ
                                                               D
                                                    Ι
                  Ζ
                         Q
7
                          Ι
                                 Κ
                          J
                                                           Ζ
                                     Ι
                          0
                                                    С
                                                        Ι
       5
                  Ε
                              Ι
                                     Ι
                                     Ε
                                         C
                                                    Ι
Κ
                                                    Z
G
                  Ι
                                                Ι
                                                        Ι
                                                                      X
                                                    В
                      Ι
                                         Х
                                                                      0
                  C
                                                           S
Х
                                                               Ε
                                                                      W
                                         S
Κ
Ι
                                 S
                          D
                                     D
                                                                   Х
```
