Word list

A large word search grid shaped like a house. The grid contains various letters. A thick black outline highlights a specific path through the grid, starting from the letter 'A' at the top, moving down to 'I', then right to 'T', then down to 'F', then right to 'H', then down to 'V', then right to 'I', then down to 'L', then right to 'R', then down to 'I', then right to 'P', then down to 'S', then right to 'I', then down to 'G', then right to 'A', then down to 'E', then right to 'V', then down to 'C', then right to 'S', then down to 'H', then right to 'A', then down to 'H', then right to 'Y', then down to 'P', then right to 'B', then down to 'T', then right to 'D', then down to 'C', then right to 'T', then down to 'A', then right to 'D', then down to 'K', then right to 'R', then down to 'B', then right to 'N', then down to 'R', then right to 'C', then down to 'C', then right to 'H', then down to 'I', then right to 'Z', then down to 'M', then right to 'K', then down to 'F', then right to 'Y', then down to 'B', then right to 'W', then down to 'I', then right to 'R', then down to 'U', then right to 'I', then down to 'H', then right to 'O', then down to 'H', then right to 'P', then down to 'N', then right to 'Q', then down to 'O', then right to 'W', then down to 'B', then right to 'A', then down to 'N', then right to 'R', then down to 'X', then right to 'B', then down to 'R', then right to 'M', then down to 'W', then right to 'D', then down to 'E', then right to 'U', then down to 'R', then right to 'H', then down to 'A', then right to 'D', then down to 'S', then right to 'T', then down to 'G', then right to 'C', then down to 'O', then right to 'O', then down to 'K', then right to 'A', then down to 'X', then right to 'T', then down to 'S', then right to 'S', then down to 'L', then right to 'K', then down to 'W', then right to 'S', then down to 'E', then right to 'U', then down to 'E', then right to 'P', then down to 'H', then right to 'G', then down to 'Z', then right to 'U', then down to 'K', then right to 'C', then down to 'E', then right to 'P', then down to 'B', then right to 'L', then down to 'U', then right to 'P', then down to 'E', then right to 'V', then down to 'N', then right to 'R', then down to 'A', then right to 'I', then down to 'F', then right to 'Q', then down to 'G', then right to 'E', then down to 'B', then right to 'R', then down to 'R', then right to 'Y', then down to 'H', then right to 'E', then down to 'L', then right to 'O', then down to 'I', then right to 'X', then down to 'V', then right to 'N', then down to 'P', then right to 'R', then down to 'C', then right to 'L', then down to 'B', then right to 'U', then down to 'P', then right to 'C', then down to 'W', then right to 'N', then down to 'H', then right to 'S', then down to 'O', then right to 'P', then down to 'A', then right to 'Y', then down to 'V', then right to 'U', then down to 'V', then right to 'N', then down to 'P', then right to 'R', then down to 'H', then right to 'M', then down to 'D', then right to 'G', then down to 'L', then right to 'C', then down to 'C', then right to 'G', then down to 'O', then right to 'C', then down to 'W', then right to 'P', then down to 'S', then right to 'C', then down to 'Y', then right to 'R', then down to 'K', then right to 'E', then down to 'R', then right to 'E', then down to 'E', then right to 'T', then down to 'W', then right to 'P', then down to 'E', then right to 'W', then down to 'A', then right to 'L', then down to 'K', then right to 'K', then down to 'H', then right to 'F', then down to 'R', then right to 'S', then down to 'Z', then right to 'B', then down to 'A', then right to 'K', then down to 'E', then right to 'L', then down to 'Z', then right to 'F', then down to 'K', then right to 'I'.
