Read the paragraph. Find the text and answer the questions.

My name is Miguel. I have arrived in America at last. The plane trip from Argentina was long. It was hard to be patient because I was excited to get here. On the plane, I practiced my English because it is my favourite subject at school. When I arrived two days ago, I wrinkled my nose as someone was cooking something different. Now, my family and I are getting settled into our new life. When I miss Argentina, I cuddle my teddy bear.

1. Where was Miguel from? _____
2. What did he practice? _____
3. What did he wrinkle? _____
