Blackbeard was a tall man with a black beard. He was the most famous of all the pirates. To add to his imposing looks, he would light cannon fuses in salt peter and stuff them under the edge of his hat. The smoke would encircle his head and give him an intimidating flair. Blackbeard named his ship the 'Queen Anne's Revenge' and had forty banging guns. He was a fearsome and nasty pirate and spent most of his time sailing The Americas in search of treasure by raiding and stealing other fleets.
