Find the text in the maze!

Everyday before school I have to take the dog for a walk and have my breakfast. During the day I study at school and after that I need to do my homework. However, I sometimes don't do my homework because I prefer to play computer games. My parents have told me I have to do my homework before I can play sports or any games. I wish I could never do homework because I always want to get up late and watch television before I go to sleep.
